Hi Kelly,

We looked for it on Tuesday morning and figured it was in the mail. No problem that it is a bit late, we'll let you know when they are received.

Thank you,
Lauren

Joe / Lauren – I just realized that the original CD with the responsive documents were sent by certified mail yesterday. I do not know if you are going to get them until later in this week. If you'd like us to get you the documents in another manner, please let me know. My apologies for the delay. Kelly

Subject: Solvay's Second Response to 2016 Section 114 Request

Mr. Wilwerding / Ms. Hammond:

Please find attached an email copy of the second Solvay Chemicals Inc. ("Solvay") response to EPA's follow-up section 114(a) request dated January 25, 2016 ("2016 Request") which Solvay received on February 1, 2016. This "Second Response" contains information responsive to 2016 Requests #2, #7 and #8. Also attached is Solvay's justification for its Confidential Business Information claim for the information responsive to 2016 Request #8. The documents referenced in the letters will be sent to your attention via FedEx first thing Monday morning because of a technical issue with the CDs.

If you have any questions, please contact Kelly Johnson at kajohnson@hollandhart.com or (202) 654-6933.
